

UNCOMPROMISING UNCONVENTIONAL UNPARALLELED

Industry-defining tools for serious alpinists
and everyday winter explorers.

ALL-NEW

PARAGON™ BINDING MINIMALISM PERFECTED

Introducing the pinnacle of security and comfort in demanding terrain.

Quick & Secure: One-piece mesh conforms to boot for ultimate control, and offers fast, easy foot alignment.

No Hot Spots: Glove-like feel eliminates pressure points.

Ultralight: Durable, freeze-proof TPU sheds snow & water.

Field-Maintainable: No tools needed, for added peace of mind.

Variable thickness optimizes strength and flex

Toe stops keep boot in place while descending

Articulating buckles adapt to a wide range of boots
